

Venue, Sessions & Pricing

Venue Requirements:

The **Standard Dome** requires at least one power point, a floor space of 6x6 metres and a ceiling height of 3.5 metres (minimum 3 metres). The standard dome has a capacity of 30 primary school participants (25 high school participants) or one class per session. A hall, gym or multi-purpose room is ideal otherwise a standard classroom, preferably air-conditioned, with desks moved to the edge of the room would suffice. Alternatively, a wind protected and dry undercover area may be used (the least preferred option and weather permitting). Ground level locations with vehicle access are preferred but not essential and access to the site must be restricted during breaks. Set up time is approximately 1 hour and pack down time is approx 30 minutes.

The **Giant Dome** requires two power points, an enclosed hall or theatre with a floor space 9x9 metres and a ceiling height of 4.5 metres. The venue must have ground or ramp access. The giant dome has a capacity of 60 primary school participants (50 high school participants) or two classes per session.

Sessions & Pricing:

Recommended session duration is between 40 and 60 minutes. Sessions run consecutively allowing for normal school lunch and recess breaks. High schools may find 70 minute session more suitable (see high school option). Multiple year levels are welcome during the same visit and may be held over a single day or multiple days/nights. Presentations are based on the Australian Curriculum and are tailored to suit the year level of the participants and their level of understanding. Please contact us for suggested sessions to suit your class requirements.

Starlab Education recommends the duration of visits to be:

Standard Dome: **Half day:** Primary: 2-4 classes, 4 x 40-45 minute sessions or 3 x 55-60 minute sessions
(High school option – 2 x 70 minute sessions for 2 classes) or as above

Full day: Primary: 4-6 classes, 6 x 40-45 minute sessions or 5 x 55-60 minute sessions
(High school option 4 x 70minute sessions for 4 classes) or as above

Giant Dome: **Half day:** Primary: 4-8 classes, 4 x 40-45 minute sessions or 3 x 55-60 minute sessions
(2 classes per session) (High school option – 2 x 70 minute sessions for 4 classes) or as above

Full day: Primary: 6-12 classes, 6 x 40-45 minute sessions or 5 x 55-60 minute sessions
(High school option – 4 x 70 minute sessions for 5-8 classes) or as above

Night activity: Approximately 2 - 3 hours depending numbers & requirements. Please contact for quote.

The average cost per student is approximately \$7.00

The Cost per student is calculated at the cost before GST / number of participants. The school claims back the GST. Please note we charge an **agreed fixed fee** as detailed above and **not a 'per student cost'**. This ensures our viability and ensures quality presentation time (no students counts or money handling prior to commencement of sessions). **Please contact us for an accurate quote.**

For schools in regional or remote areas please contact Starlab Education for an accurate quote. The information we require is:

- Your contact details
- Venue location
- Night activity or daytime visit
- Expected number of participants / classes / year levels
- Preferred dates of the visit
- Are there any other participating schools nearby?

Bookings:

Please complete a booking request form available from the website and fax to Starlab Education or contact us direct. A confirmation and timetable for completion for the visit will be sent by email along with a risk assessment and PL cover.
